

Dear Dr. Dascombe,

Thank you so very much for being such a great doctor. The work you did on my nose has made me so happy, and the final results aren't even here yet! I feel a lot better about myself outside and inside as well. I'm not so extremely self-conscious and I have more confidence. I truly cannot thank you enough. Because of you, my life is forever changed for the better. You are an incredibly good doctor and a nice person as well. Good luck in the future!

I'm sure you'll make many more people happy. Again, thank you so much!
